

WATER SAVING TARGETS AND ALTERNATIVE WATER SOURCES FOR COMMERCIAL BUILDINGS

As of the 1st of July the Cairns City/Regional Council's exemption from the requirements of the Queensland Development Code's has lapsed. Applicants should be aware that these requirements will apply to all applications lodged for new building work after this date. All classes of building except class 2 unit developments are affected.

The relevant codes can be downloaded at this site <http://www.dip.qld.gov.au/building/current-and-draft-parts.html> they are MP 4.2 and 4.3.

Don't hesitate to contact our office should you have any queries or need any further clarification on requirements.
